

“Jasper Bacon’s work comes out of his heart and therefore, I wholeheartedly endorse In His Steps Ministries and the work of God through Jasper Bacon. IHS is a great work to reach those who may not otherwise have the opportunity to trust our Savior.”

-Dr. Dolphus Weary
President/Co-Founder of R.E.A.L. Christian Foundation, Richland, MS

“As a pastor, I struggle with the reality the young men Jasper speaks to each week would never be found in one of our churches. In His Steps Ministries provides the missing link between God’s desire to help troubled youth and families and what often becomes an ongoing cycle of difficulty and trouble. Our church is grateful that Jasper goes where we do not, and brings the love of Christ and the message of lasting freedom.”

-Rev. Jerry Clark
Former Pastor, Riverwood Bible Church, Jackson, MS

“Jasper Bacon is a man passionate about his work and has been fulfilling his call to Canton, Mississippi and surrounding areas since 1986. His ministry has afforded him the opportunity to proclaim the gospel to hundreds of at risk children, youth, and their families. My hope is that God will raise up a network of friends who will partner with Jasper and In His Steps Ministries for greater effectiveness.”

-Mr. Mark Taylor
President and CEO of Tyndale House Publishers, Wheaton, IL

“God has used Jasper like few others to deliver real world, grind it out, front line ministry that most are afraid to touch. From his leadership with at youth risk, to living out and teaching genuine racial reconciliation, he has built the right model for Christ-centered holistic ministry that transforms families.”

-Dr. Roger Parrott
President, Belhaven University, Jackson, MS

“For over twenty years, Jasper Bacon has been responding to God’s call to proclaim the gospel of Jesus Christ and demonstrate God’s love in Central Mississippi. The specialized ministry to juvenile offenders, at-risk children, and their families is filling a pressing need for many. This ministry needs and deserves our support.”

-Dr. Stuart Weber
Pastor/Author, Good Shepherd Community Church, Boring, OR

“I am honored to be able to call Jasper Bacon a friend and colleague. He is a man of integrity, a faithful servant of Christ, a committed husband and father, and an effective communicator and leader. At Wheaton College, Jasper has served as a member of one of Wheaton’s key Boards where he enjoyed the respect of his fellow Christian leaders from across the country. Even more importantly, as the Director of In His Steps Ministries, Jasper’s humble service to juvenile offenders and at-risk children has provided a model of Christian outreach and love. In short, Jasper Bacon is the kind of servant-leader Wheaton College aspires to produce and we are delighted to be able to number him among our alumni. He has my full and unequivocal support.”

-Dr. Duane Litfin
President Emeritus, Wheaton College, Wheaton, IL

*“Jasper Bacon’s ministry is as bold as its title – **In His Steps**. He is, without a doubt, seeking to walk in the steps of Jesus, ministering His love to the world. Jasper Bacon is a principled man with a God given vision that is making a difference in our community. Through his effective leadership, “In His Steps” ministry is encouraging others to give of themselves through after school programs, summer enrichment programs, and parental support programs. As a result, students are provided with a good spiritual, physical, academic, social, and emotional foundation. Any investment in this ministry will reap eternal dividends.”*

-Dr. Rob Futral
Pastor of Broadmoor Baptist Church, Madison, MS
