## In His Steps Community Outreach

Youth learn that they can serve God and still have fun.

### Community Youth Rally

Pastor Marlon McDuffie encourages young men to make positive choices

In His Steps Ministries in partnership with Fellowship Bible Church (Madison, MS) held its 1st Annual Christ in Action (CIA) Youth Rally held at IHS Campus, on May 5, 2018. The one-day youth rally brought together more than 110 youth from grades 6-12 from Canton, MS and surrounding communities. **The purpose of the youth rally was to inspire young people and point them to Christ.** Area youth were given the opportunity to worship, fellowship and reflect on the love of God. **"Encouraging youth to foster a relationship with Jesus Christ is one of the important responsibilities of adult Christians,"** Jasper Bacon said. "The CIA Youth Rally is one way we are trying to inspire our youth."

"I think in today's society, with everything that is pulling at our youth to get them off track and down the wrong road, it's important to bring them into positive environments and show them a better way," stated Pastor Marlon McDuffie. McDuffie was one of the speakers at the youth rally. He encouraged the young men to make better choices in life. McDuffie affirms that great seeds were planted by many at the youth rally that day. **"We want the youth to know that they can serve God and still have fun,"** said Marvin Jackson, one of the visionary of the youth rally. Jackson, a Canton resident, had a vision to bring young people together in a Christ-centered environment to plant seeds of hope in them.

This vision became a reality as young people were given many opportunities to grow in their relationship with Christ. They walked away from the rally knowing that they can serve God with their unique gifts and abilities and not be afraid. "The rally was beyond amazing. I'm excited that my daughter was able to attend. To know my child was in an environment loved by everyone was touching," expressed Latoya Sterling.

Jessica Nichols, CIA rally volunteer, stated "It's an honor to serve the Lord by encouraging young people to commit to Jesus Christ. I hope we can continue to help win souls for the Kingdom through an annual Christ In Action Youth Rally."

### Outreach to Saw Mill Quarter Community

Saw Mill youth enjoying Family Fun Day

Seventeen years ago, Jasper and Carolyn Bacon, founders of In His Steps Ministries, reached out to the Saw Mill Quarters providing Vacation Bible School and minor

home renovations, in conjunction with partnering churches. However, IHS wanted to do more. IHS hosted monthly family oriented recreational activities in the Saw Mill over the last few months. The Saw Mill is a close knit, yet challenged community, just east of the IHS property line. The intent of this outreach is to be an inspiration of love and hope for its residents. During the recent event, the neighborhood enjoyed fellowship, music, food, sports and games. **More importantly, the gospel was presented and several young adults responded to the gospel message. The outreach attracted approximately 100 children and 45 adults, who enjoyed all of what the event had to offer.**

**The projected goal, in conjunction with partnering churches, is to develop a holistic ministry in the Saw Mill Quarters including Christ-centered early childhood development, young adult empowerment, sports and recreation ministry and economic development, to promote growth and success for its residents.**

Pray that the gospel will spread rapidly in this community, many will accept Christ and Christ Kingdom will advance. A special thanks to friends at Broadmoor Baptist Church and Holy Trinity Anglican Church for their faithful commitment to the work in the Saw Mill Quarters.

*"And the very God of peace sanctify you wholly; and I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ. Faithful is he that calleth you, who also will do it."*  
**Brethren, pray for us.**

### PRAYSE GOD! PAVILION PAID OFF!

**In His Steps Ministries has paid off our pavillion thanks to our generous donatons and God's provlions.** The pavillion was a part of the campus development project guided and provided for by the Lord. **Within a three-year span, the Lord provided a total of \$486,367 to payoff the pavillion. Now it is being used to fulfill the Lord's will in this community,** including sports ministry opportunities, safe Christ-centered recreation for neighborhood youth and their families. As the Lord continues to grow this ministry, Phase III development will include an IHS Dormitory for weekends and summer camps, for youth and families, housing for long-term interns and short-term mission teams. **A special thanks to IHS friends for your prayers, donatons, and support of this ministry. None of it would have been possible without your partnership.** Our Father has and will continue to do amazing things in and through In His Steps!

*"The one who calls you is faithful, and he will do it."*
