WORKING TOGETHER WORKS BETTER

It has been correctly stated "Alone we can do so little, together we can do so much more", Hellen Keller. Over the last 21 years, In His Steps has been given the unique opportunity of networking with area churches, Christian businesses, universities and other like-minded individuals.

IHS depends heavily on the Body of Christ to help fulfill its mission to the children, youth and parents in the Canton community. Thank you to all who helped make 2016 a successful year. This was an exceptional year. Please continue to pray for the success of IHS ministries (1 Thes. 5:25). Pray for the **GROWTH** of existing ministries, **EXPANSION** of our ministries to surrounding neighborhoods, and greater **DEVELOPMENT** of ministries to parents and incarcerated youth.

Thank God for the recent addition to the IHS Sports Complex. The children and parents are loving it.
