

Brothers and Sisters,

One testimony that God has given In His Steps is that it is a ministry that embraces truth in faith and practice. One of my favorite authors, Dr. David Jeremiah states, *"If we want to be (Victorious) warriors in the battle against Satan, we must be people of integrity, truth and sincerity."* Pray that In His Steps will forever remain faithful to the truth.

Praise God for his blessings on IHS. One thing remains the same, we choose truth (Psalm 119:30).

Thank you for being a constant friend, prayer partner and supporter of this ministry. God bless.

- * Pray that God will provide for Christin's salary.
- * Pray for additional volunteers. to serve with sports ministry and other ministries.

Thank God for Start of Lego Robotics

This past month, In His Steps started a Lego Robotics Program in conjunction with Camron Arcemont, owner of ARC Technologies.

The program will help challenge and develop students within STEM subjects as the need for these skills become more and more necessary! Each student will learn computer programming techniques to create robots to their design! We thank God for the blessing it is to expand into these new areas of learning and development!
